JOSIAH TURNER, Jr., EDITOR.

HORRIBLE MURDER IN BRUNSWICK COUNTY, VA.—A WIFE KILLED WHILE SITTING IN HER OWN ROOM.—We learned yesterday evening of a most terrible and diabolical murder, which occurred on Thursday night in Brunswick county, Va., about seven miles above North Gaston, the unfortunate victim being Mrs. Rawlings, wife of Basset Rawlings, Esq., and sister of Mr. W. P. Taylor, the latter well known in this community and now connected with the Petersburg road. The circumstances of the murder are as follows: About 7 o'clock on Thursday night, while Mrs. Rawlings was sitting in front of the fire in her room, with some of her children sitting near her—her mother being in another part of the house, and Mr. Rawlings not having returned from the Court House of the county whither he had been during the day—a shot was fired from an unseen hand through a window in the rear of Mrs. Rawlings, the whole load, slugs, taking effect just below the shoulder of the unfortunate victim, killing her almost instantly. The murderer made his escape without being seen.

Mr. Rawlings arrived at home a little while after this terrible occurrence, only to find the peaceful home which he had left in the morning turned into a scene of bloodshed and murder, his wife a corpse, and his motherless children weeping over the dead. As is to be supposed, the affair created intense excitement throughout the community, and yesterday morning strenuous exertions were being made to discover and capture the fiend, suspicion resting on one Harrison Hammock, negro, who had made certain threats because his wife had recently been discharged from the service of the family.

Mrs. R. was about thirty years of age, was a native of Brunswick county, has always been considered an estimable lady, and leaves four children, a husband and a host of friends to mourn her sad death.—*Weldon News.*

SHARP TRICK.—The Treasurer's box of the Brooklyn Fire Engine Company was spirited away by a sharp thief a day or two since. It seems that this box, containing about $44 in money, was in the possession of the Foreman of the Company, Wm. H. Howe, who was also temporarily acting as Treasurer. While at work Monday, some negro went to Howe's house, and asked his wife, in the name of her husband, for the box. Not suspecting but that she was sending it to her husband according to the direction of his message, Howe's wife delivered the box to the rascal, who made off with it and has not since been seen, and it is impossible to find out who he is.—Howe being responsible for the money, it was a rather dear trick so far as he is concerned.—*Wil. Journal.*

ROBBERY.—The store of Mr. James L. Jones, on Front street, between Dock and Orange, was entered by a negro named John Davis, Monday night last. The entrance was effected by means of one of the store keys, which was extracted from Mr. Jones' desk during the day previous. A small amount of money left in the drawer, a few cigars, and account book, and one or two other small articles were all that the thief carried away. He was arrested by the police that same night for another offense and was up before Judge Cantwell yesterday morning, when Mr. Jones was enabled to identify his store key, book, and some of the other articles found upon his person.—*Wil. Journal, 26th.*

FIRE AT ELIZABETHTOWN.—We learn from Capt. Phillips, of the steamer *Marion*, that it was reported by a gentleman who got on board yesterday morning, at Elizabeth, and subsequently left at one of the landings on the river, that a destructive fire occurred at Elizabethtown, on Saturday night last, which resulted in the destruction of the store of Capt. W. J. Toler, and an adjoining shop belonging to a man by the name of Sutton. We were unable to learn the origination of the fire, or any other particulars concerning it.—*Wil. Star.*

SCARCITY OF LABORERS—NEGROES REFUSING TO CONTRACT.—We understand that the farmers of the county are experiencing considerable trouble in securing a sufficient number of laborers for the present year.—This trouble is mostly confined to those who are indending to employ by wages, those working on shares finding but little difficulty in procuring a full supply.

It is supposed that, under direction of the League, the negroes are holding back for higher wages, thinking that the farmers will be at last compelled to employ them on their own terms.—*Tarboro Southerner.*

ARRESTED.—Luther Wall, one of the escaped prisoners, has been arrested and returned to our county jail. He stated on his arrest that the escape was effected by a false key made by one of the prisoners from a tin cup kept in the jail. The ingenius workman cut the tin in strips, riveted them firmly together with rivets made of the wire in the cup, a darning needle and barlow knife. Under the directions of Luther, search was made and the keys found concealed in one of the cells. He says that there were no persons present outside of the jail to assist them in their flight.—*Winston Sentinel.*

Large numbers of negroes are leaving this vicinity and the county. Within the short space of two months, it is estimated that four or five hundred have gone South and Southwest. Agents are very active and the demands for labor in Louisiana, Mississippi and Arkansas very great.—*Henderson Index.*

Yesterday there was a number of parties on the street making contracts with laborers to go to Georgia as plantation hands.—They were offering $15. per month for the year, and many of the negroes agreed to go, but generally not more than half of those who contract to go put in appearance when the day for departure arrives.—*Charlotte Observer, Jan. 25th.*

DED.—Frank Parks, the negro boy who attempted to break into the Grocery Store of Mr. M. W. Alexander some time ago, and was shot by Policeman Taylor in an attempt to make his escape, died Sunday morning from the effects of the wound received.—*Charlotte Observer.*

We learn that a new telegraph line is being erected from Portsmouth here, to be exclusively the property of the Seaboard road.—*Weldon News.*

KEROSENE LIGHTS PERFECTED!

DANFORD'S

Atmospheric

KEROSENE LAMP.

THE ONLY PERFECTLY SAFE LAMP IN USE.

Artificial Light, of some sort, is a universal necessity; a safe, cheap, and brilliant one is a luxury; a luxury, too, only enjoyed heretofore by those living in large towns or cities where Gas is used. Years of study and thousands of dollars annually have been spent by experimenters of different kinds, in trying to invent and perfect a Burner or Lamp by which Coal Oil or Kerosene could be burned practicably, without the expense and trouble of chimneys; the long looked for and much desired subject has at last been obtained, and is styled the

ATMOSPHERIC KEROSENE LAMP!

Its adaptation to Dwellings, Churches, Railroads, Steamboats, Hotels, Stores, &c., is unsurpassed; in short, this invention brings the luxurious and brilliant Gas Light within the reach of all, whether in the City or Country. It gives the light of a six-foot Gas Burner, for less than one cent per hour, or double the quantity of light, of the ordinary chimney-lamp with one third less oil; will burn, when turned down to a taper light ten hours for one cent; is free from smoke or smell; can be carried from room to room; the wind will not blow it out.

This Lamp is destined to supersede all portable artificial light or chimney lamps now in use and needs only to be seen to be appreciated; thousand of them will find ready sale in every county, no family that uses this light for one evening will again be annoyed with the chimney-lamps. Thousands of them will be used in cities, as this light is one-half cheaper than Coal Gas, and much more pleasant to the eye.

The sole right for the sale of this Lamp can be had for the entire State or the same will be sold by Counties.

Parties purchasing will be supplied, at wholesale, with the lamp and fixtures at reasonable rates.

Immediate application should be made to secure the choice of Counties.

The Lamp can be seen in full operation during the day and evening at the Yarborough House.

All letters will receive prompt attention and full explanation of the Lamp given.

SAW MILLS.

I AM PREPARED TO PUT UP DOUBLE CIRcular Saw Mills in workman-like manner for those desiring them.

There are now 440 of these Mills in operation, and in no case have they failed to give entire satisfaction. One advantage of this Mill is, that the sawyer, without changing his position, gives the backward and forward motion to the carriage, with a single lever; and set the log at both cuts at the same time, *this is a saving of one hand to the mill.* This is no humbug. I am responsible for what I say. My residence is 20 miles South of Raleigh, on Neal's Creek. For further particulars address me at Raleigh, N. C.

I will be at Lynn Adams' Store on the 2nd of the 5th of February, where persons desiring it see me will please call.

F. J. WRAY.

READ THE FOLLOWING.

Mr. F. J. Wray, Dear Sir:—I am much pleased with my double Circular Saw Mill, built by you. I can cut a line 14 inches deep, 20 feet long, in 45 seconds, with my 12 foot overshot wheel. We have to-day cut 3,000 feet weather-boarding, flooring, and inch board, in eight hours.

Dec 23rd 1869. ALDRIDGE PARTIN.

Mr. F. J. Wray:—We are well pleased with our new double action Mill, that you set to work for us. We can cut twice the amount of lumber that we could with the old Mill of 48 inch saw and same water wheel.

JOSIAH TURNER, Jr., EDITOR.

SATURDAY, JANUARY 29, 1870.

SPLIT IN THE PARTY—COLLISION OF THE TWO HOUSES—LITTLEFIELD DISCUSSED ON HIS MERITS—HE FEEDS AND CLOTHES LEGISLATORS—THE HOUSE UNGRATEFUL—THE SENATE TRUE—THE SENATE ENDORSES LITTLEFIELD, THE SWINDLER—KILDEE LASSITER DODGES THE QUESTION.

Wednesday last was spent by the House in discussing the resolution of Mr. Justice, (Republican) politely requesting Governor Holden's State Printer, Gen. Littlefield, to abdicate his office. The mover of the resolution denounced Littlefield and questioned the republicanism of the *Standard*. He said, no honest Republican could do an honest act, without being denounced by that paper.

The old, God-forsaken, spirit-rapping Downing, defended Littlefield and denied that there was any such record in the Wake Superior Court, as was read in the Senate, relative to the Littlefield Dewease-James-Smith fraud. This old spirit rapper is as unprincipled a piece of humanity as was every exported from Massachusetts, and Littlefield has, no doubt, wrapped him up and labeled him, "bought and paid for."—But still, we can't see why the old humbug, in defending his master, should deny a plain truth, so easily established as the record alluded to. We suppose it must be the force of habit.

The vote on Mr. Justice's resolution is the House, stood yeas 59, nays 34. On Thursday James Harris, of Wake, moved to reconsider the vote by which the resolution asking Littlefield to resign, was passed, and the day was spent in discussing it, at an expense to the State of fourteen hundred dollars, which added to the discussion in passing it the day before, makes two thousand, eight hundred dollars that the State pays for this affair. This is more than Littlefield and all the carpet baggers in the State are intrinsically worth. One negro member went several times to the Governor's office, during the discussion, as was supposed, to report progress and receive instructions. But the House refused to reconsider, and the request of that body now stands, with a double force, asking Littlefield to resign as State Printer. In this consists the ingratitude of the House.

But the Senate, on Thursday, acted differently. It exhibited its gratitude to Littlefield, for past favors, by refusing to pass a similar resolution, or rather, a resolution asking the Governor to remove him from the office of State Printer and Binder.—Kildee Lassiter dodged every vote on this question. Let the people of Granville remember this.

Galloway, col., (the leader of the party in the Senate) strenuously opposed the resolutions, declaring, "there are Senators here who have been *fed and clothed* by Littlefield," who now vote for this resolution to have him turned out of office! This was a hard hit on some of them, but they had to stand it.

Both resolutions to have Littlefield dismissed as Public Printer and Binder, were voted down in the Senate. We have put the vote on record. (See Thursday's proceedings.) The Senate cannot, therefore, be accused of ingratitude to Littlefield, whose bread and meat they have eaten and whose clothes they have worn, (according to Galloway.)

Wednesday and Thursday were disgraceful days in the history of North Carolina legislation. Her bankrupt treasury; her ruined credit; her desolate fields and dreary firesides, her oppressed and down-trodden people, all call aloud for justice and punishment upon the execrable carpet-bag gang who have brought the present state of affairs on the State.

BAD MAN.

Seward, the great agitator and mover of faction, wisely says "There are some men who talk war when the country is at peace, and when war comes they clamour for peace." Our Governor must have sat for this picture; Seward must have known the man, to have painted so well.

For twenty years the Governor's voice, like Moloch to the fallen angels, was still for war; the war came, the Governor put his son Joseph in, (then a minor,) and called upon the people to rely upon "God and Jeff Davis." With Gen. Willie D. Jones, his son was captured at Roanoke Island; the Governor quit relying on "God and Jeff Davis," and put his trust in Yankees, and he remains true to them to this day. He no longer trusts in "God and Jeff Davis," but in the swindlers, Littlefield, Laflin and Dewease. Now that there is peace, he clamors again for blood and war; he must have a military bill; and Shoffner to advocate it. When all are at peace, this bad man wants war, when all are at war this bad man wants peace.

CORPORAL PUNISHMENT.—In the discussion on the slander bill, in the Senate, on Friday, Mr. Davis, of Montgomery, wished the penalty attached to be of a corporeal character, something the body could feel as well as the purse. Wonder if he desires it to be of the kind that Mrs. Harris and Mr. Jordan, of Montgomery, are in the habit of inflicting?

REPUDIATING AND FINANCEERING.

Senator Pool, Jeff Davis elector during the Confederacy, in a recent visit to this city, to confer with the carpet-bag corruptionists, before leaving for Washington, told his party they must reduce the taxes and the State debt, or they would be beaten in the next election.

Col. John McDonald of Chatham says, repudiation of the old and new debt is the watch-word of the Republican party for the next campaign.

Under the suggestion of Pool the Radicals have been trying to undo their own work. They have actually repealed a bill for a little Turnpike Road in the mountains, passed at the last session.

By way of reducing the debt, Chicken Stevens said, on Thursday last, in conversation with a friend, that we would sell the North Carolina Railroad soon, for eight millions in bonds. If this be done, it will be for the benefit of Littlefield and the "Ring," who, no doubt, stand on John McDonald's platform, or will, as soon as they sell off their bonds or swap them for the N. C. Railroad stock.

But we hear from another source, that Littlefield, Swepson and the "Ring," have sold the bonds of the Western Road for sixty and sixty-five cents, and have been and are now buying them up again at twenty-three and twenty-five cents, by which operation they will make about three millions cash. This is rumor, and may or may not be well founded. If it be well founded, we think that Littlefield and the Ring will be able to pay cash for the Road, instead of bonds, if the people will consent to sell out to them.

The sale of the North Carolina Road is the only job Littlefield has to accomplish. He and the "Ring," aided by the silence and inactivity of the Governor, have dishonored, disgraced and utterly ruined the credit of the State.

With millions of cash and re bought bonds in his pocket, the Swindler seeks to rob the State of its Railroad property.—From the vote of the Senate, endorsing Littlefield and his swindling operations, on Thursday, we doubt whether there be honest, fearless men enough in the Legislature to prevent the last act in the drama of fraud, the sale of the North Carolina Railroad.

The Governor was, at first, in the plot to lease the Road, there can be no doubt of that. Littlefield, in New York, hearing of the Governor's sanction of the affair, is said to have penned him a hasty letter, and as he folded and directed it, said, "this will straighten the Governor, in regard to the lease." It *did* straighten him, or rather, bent him clean over the other way, and broke up the lease project. The friends of the lease charged then, and charge to this day, that Littlefield was the cause of the failure of the lease; and that he prevented it in order that he might afterward buy the Road. Littlefield has no bowels of compassion. He, and those acting with him, have swindled the State of its last dollar and left the Treasury as clear of funds as a coal-scuttle; there is not enough left to pay Friday Jones for guarding the oaks and rose bushes in Capitol Square; and now he would fain take from the poor, old, beggared mother of us all her homestead in the North Carolina Railroad, simply that he and corrupt members of the Legislature, and their friends may make money.

Let the people watch the proceedings; the ball has been put in motion, by the introduction of Barnett's bill; the old game of bribery is to be played over again; the stakes are heavy and the game will be desperately played.

The Legislature of North Carolina.

SENATE.

FRIDAY, Jan. 28, 1870.

The Senate was called to order at 10 o'clock.

BILLS INTRODUCED.

By Mr. Welker: To charter the city of Greensboro: Referred.

By Mr. Cherry: To adopt the report of the Commissioners of Pitt in relation to townships: Referred.

By M'. Moore, of Yancey: To incorporate the town of Bakersville, in the County of Mitchell: Referred.

By Mr. Shoffner: To authorize the Commissioners of Alamance County to levy and collect a special tax: Referred.

By Mr. Cook: To repeal an act to amend the Charter of the Wilmington and Charlotte Railroad Company and other acts making appropriations to Railroad Companies at the sessions of 68 and 9: Referred.

By Mr. Shoffner: To repeal sections 28 and 30 of chapter 280 of the laws of 68 and 9: Referred.

By Mr. Martindale: To better protect the holders of Insurance Policies in this State. [This bill requires Companies doing business in this state, if it be Fire Insurance to deposit $20,000 in bonds of the State, at par value, in the Treasury, and if it is Life Insurance to deposit $10,000:] Referred.

By Mr. Lassiter: Resolution to reduce the *per diem* of members to $5 per day and that of employees in the same proportion: Lies over.

RESOLUTIONS.

Resolution authorizing the Treasurer to pay the necessary expenses of witnesses summoned before the investigation committee, under a resolution, ratified Dec. 8 h 1868, referred to the Committee on claims.

Resolution to pay the expenses and mileage of members of the Committee, to investigate the affairs of the Albemarle and Chesapeake Canal Co. referred to the Committee on claims.

Resolution concerning the destruction of property during the late war by the Federal Army, in certain cases, [*of loyal men*, and urges the Representatives of this State in Congress to use their influence to have said property paid for, when the property has been destroyed by the order of Federal Officers.]

Mr. Love moved to strike out the word "Loyal," which was voted down.

Mr. Parker moved to so amend the resolution, that the property of citizens that was destroyed by the Confederate Forces, because of their *Loyalty* to the Government, shall also be paid for, which was adopted, and the resolution as amended passed.

Resolution instructing the Code Commission to draw a bill to survey and locate the State line between North Carolina and Virginia.

On motion of Mr. Welker, it was indefinitely postponed.

Resolution instructing the Attorney General to have the Railroad appropriations adjusted.

Mr. Robbins said he introduced the resolution in order to have a legal question properly adjudicated. It mattered not whether a man was in favor of or against the new bonds, it was highly important that all doubts as to their constitutionality should be settled as soon as possible, and that was the object of the resolution. The constitution provides that no appropriations shall be made, unless a special tax, sufficient to pay the interest on said appropriation shall be laid at the same time, it was evident to every one that a sufficient tax had not been laid to pay the interest on these special tax bonds, and there was a question of doubt as to their constitutionality, which should be settled, in order to build up and sustain the credit of the State. The bond holders were inquiring into this subject, and ought to know the status of these bonds.

Mr. Sweet opposed the adoption of the resolution.

Mr. Forkner moved that it be referred to the Committee on the Judiciary, which motion prevailed.

Resolution requesting the Representatives of this State in Congress to use their influence to have the tariff on *imported rice* and *pea nuts* increased, was rejected.

THIRD READING OF BILLS.

Bill to repeal an act to protect Sheriffs in the sale of lands, of chapter 261, Public Laws '68-'69 Passed.

Bill to change the dividing line between the counties of Burke and McDowell.

Mr. Moore of Yancey, offered a substitute for the bill, both of which were recommitted.

Mr. Graham said he introduced a bill in the early part of the session, to repeal the acts passed at last session imposing special taxes. It had been referred and recommitted often enough he thought for the Senate to take some action on it, and moved that the rules be suspended in order to take it up.

The Senate refused to take up the bill by the following vote:

YEAS. Messrs. Barnes, Beall, Beasley, Beeman, Brogden, Burns, Cherry, Davis, Faythe, Graham, Love, Lindsay, Long, Mason, Martindale, Neighbor, Moore, of Carteret, McLaughlin, Murphy, Robbins, Welker, White, Whiteside, and Winstead—24.

NAYS.—Messrs. Bellamy, Blythe, Colgrove, Cook, Eppes, col., Forkner, Hyman, col., Hawkins, Jones, of Wake, Lassiter, Love, Moore, of Yancey, Richardson, Respass, Shoffner, Smith and Stephens—17.—It requires 26 votes to suspend the rules.

CALENDAR.

Bill to amend section 4 of an act relating to salaries and fees.

[This bill proposes to raise the salaries of the Supreme Court Judges to $3000, and to pay them said amount from the beginning of their term of office.]

Mr. Stephens, urged the passage of the bill, he thought it was a simple matter of justice, that the Judges should receive this addition to their salaries.

Mr. Love, said he opposed the bill because he was unwilling to increase the tax already too heavy upon the people. This was not the time to increase the salaries of Judges or of any other State officers, instead of increasing salaries it was time for the General Assembly to see the necessity of retrenchment and moved to lay the bill on the table, which motion prevailed.

Mr. Stephens moved a reconsideration of the vote.

Mr. Sweet moved to postpone the motion until Wednesday next, which was adopted.

Bill to conform the fees of Solicitors to the act in relation to punishment ratified on the 10th of April 69.

Mr. Barnes, moved its indefinite postponement, which motion prevailed.

PRATT'S "ASTRAL" OIL.

UNLIKE MANY OTHER ILLUMINATING Oils, *is perfectly pure*, and free from all adulterations or mixtures of any kind. It emits no offensive smell while burning, gives a soft and brilliant light, and can be used with the same assurance of safety as gas. Chemists pronounce it the best and *safest* Illuminating Oil ever offered to the public; and Insurance Companies indorse and urge upon consumers the use of the "Astral" Oil in preference to any other. It is now burned by thousands of families, and in no instance has any accident occurred from its use; a lamp filled with it, if upset and broken, will not explode. *To prevent adulteration*, the "Astral" Oil is packed only in the Guaranty Patent Cans, of 1 gallon and 5 gallons each, and each can is sealed in a manner that cannot be counterfeited. Every package with uncut seal we warrant. Be sure and get none but the genuine article, Pratt's "Astra" Oil, for sale by dealers everywhere, and at wholesale and retail by the proprietors

CITY AND STATE ITEMS.

SATURDAY, JANUARY 29, 1870.

☞ THEO. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

NEW ADS, YESTERDAY.—Besides the new advertisements which appeared yesterday morning and were noticed at the time, we call attention to the following:

Candy, Axes and Dry Goods—the sweet, useful and ornamental, by B. F. Cheatham & Bro.

A. D. Taylor, offers a variety of fresh and desirable family groceries.

Auction sales of a variety of household furniture and other articles, to-day at J. M. Towles's. Nice white corn meal there also.

W. H. & R. S. Tucker & Co. announce extraordinary bargains in Dry Goods. The Tuckers do a tremendous trade, wholesale and retail and anything you cannot find in their line, need hardly be looked for elsewhere.

House-keeping goods at the hardware store of Julius Lewis. There are many people getting married now, and we direct them to the advertisement.

TO DAY.—Organ for sale at Fayetteville. W. H Jones & Co., offer washing powder family flour, and three thirteen shooters. Also, Report of the State National Bank. Also, of the Raleigh National Bank.

TUCKER HALL.—Our citizens will have the opportunity of enjoying a succession of entertainments at this pleasant and popular Hall, for the next week or two.

On Monday night, as will be seen by the announcement in another column, Prof. S. Adams Lee, the popular and eloquent Lecturer, who so pleased our citizens by his Lecture, 'God in the Ocean," in November or December last, will deliver a Lecture, "Battle of Hampton Roads," for the benefit of the "Rescue Steam Fire Company." Two considerations ought to operate to giving him an overflowining audience on the occasion; first, the merits of the Lecture, and second, the object, to raise funds to pay for the new Steam Fire Engine.

On Wednesday night, the La Rue minstrels appear, and will repeat Thursday and Friday night.

At an early day, the Ladies of the Baptist Church will open a Festival and Fair, at the same place

To be followed soon after by the exhibition of a Tableaux and, perhaps, a Feast, and, certainly accompanied by a concert of excellent music, given by the Ladies of the Methodist congregation.

LECTURE AT COMMONS HALL.—Prof. Dixon, an English Quaker, we understand, delivered a lecture at Commons Hall, last night, on the subject of Agriculture, the application of gypsum to our soils, &c.

It is said friend Dixon has been elected Professor of Agriculture and kindred subjects, in the University of North Carolina; whether this be so or not we are not certainly advised.

NOT SO.—We understand that L. C. Morton, who was a member of the Convention from Stanley, is in town, seeking, it is thought, the appointment of census taker for that county. He says, the people of Stanley are highly pleased at the passage of the military bill. This is a misrepresentation of the intelligent people of Stanley. We are authorized by a gentleman, well acquainted with the sentiments of the people of that county, that not a dozen intelligent people of the county but condemns that act as unnecessary and tyrannical, and that Morton lies.

COME AND GONE.—We learn that Morning came back Thursday night, got a new boarding house, left it Friday morning, from the same old cause, and went home again.

HARD ON LASSITER.—The *Standard* of yesterday says, "The Republican party has no sympathy with dodgers;" and again, "We call upon the Republicans of North Carolina to mark the votes of their representatives—to see who stands up for the party, who votes against it—and those who dodge—the worst class of all." This is very hard on Lassiter, Cherry, Etheridge and others in the Senate, who dodged the question, *every time*, on the resolutions requesting the Governor to dismiss Littlefield, last Thursday. Unless they make another *dodge*, the *Standard* will hit them square between the eyes.

GEN. BROGDEN.—As soon as we can make room for them, we intend to republish some of the communications of Gen. Brogden, of Wayne, written for the SENTINEL, in 1865 and 1866, criticising Gov. Holden, (very peppery,) and Yankees generally. They will be refreshing reading matter to the General himself, perhaps, about this time.

THE DODGERS.—In the Senate on Thursday, when the resolutions requesting the Governor to dismiss Littlefield as State Printer and Binder, were under consideration, Mr. Love offered an amendment setting forth the reasons for the action taken.

The yeas and nays were ordered and the amendment rejected—yeas 16, nays 24. The following Senators, though present, *dodged* the vote, Messrs. Beasly, Cherry, Etheridge, Flythe, Hawkins, Lassiter, Long, and Moore, of Yancey.

On the original resolution the yeas and nays were called, and resulted, yeas 15, nays 25. Messrs. Beasly, Cherry, Etheridge, Flythe, Lassiter, Long, and Moore, of Yancey, again *dodged*, though they were present in the Hall.

PROF. MCWATT, Lecturer and operator on boot and shoeology, has removed his office and lecture room, *alias*, shoe shop, to the room over Messrs. W. B. Hutchings & Co's., Harness establishment, where he is prepared to take measures and put up shoes, boots, gaiters &c., in quality and workmanship unsurpassed in this region.—Let those who may doubt this give him a call and they will be convinced; those who do not doubt it will, of course, call any how.

OPPRESSION.

The Sheriff from a heavily taxed county, came in recently to make his returns, he said he had sold some men out of house and home to satisfy the Government's demand for taxes, and he knew women and children were suffering for bread, and the money he paid into the Treasury for taxes should have gone to supply their wants.

Most persons are cursing the carpet-baggers for this distressing state of affairs, but Holden, Settle, Reade, Rodman, Pool, Dick and Barringers, (both of them,) are entitled to a little more cursing (if men, like the Governor will curse,) than the carpet-baggers.

What cares the thief, Judge Alden, (now about Richmond) if the houses of the poor and oppressed are sold for taxes to pay Sinclair, Laflin and Cuffy Mayo and Morning seven dollars a day? When the house is sold, Laflin drunk in Washington, can't hear the children cry for bread!

In the districts where the crops failed last year, the Sheriffs will have to sell homesteads for taxes; they have told us so.

In these districts, under executions, the Sheriffs are selling out men who could have met their engagements and paid their debts, if the last year's crop had been an abundant one. But executions can't wait for crops.

Holden, with his Leagues and 70,000 negroes, fastened the swindlers, Littlefield, Laflin and Deweese, upon us. For a time, on his reconstruction staff, he fastened the thief, Judge Alden, and the rogue, Tatten, upon us. Having had the people down, with the feet of such swindlers and rogues upon their necks, is it to be wondered at, that he now wants a military bill to keep them down? Let the Sheriffs sell, but we say, "rise fellow-men, our country yet remains." These carpet bag thieves shall yet be gone, this land shall yet be free!

PRINCE LAFLIN.

This carpet-bag member from Pitt was in attendance on the Legislature only a few days of the last session; he has been in attendance not more than three days of this session.

Churchill, of the *Standard* office, was heard to say, on the street, that he hoped the Grand Jury would find a bill against him and Deweese, the carpet-bag member of Congress, for he was satisfied that they were to be benefitted or had interest in the note made to "James Smith," the fictitious man. A. W. Shaffer, who sued on the note, thinks and says it is his opinion that Deweese and Laflin had guilty knowledge of this note.

Mr. Shaffer received the note from Deweese for money due the Bankrupt office.—He had no knowledge of the illegality of the note.

It is reported that Littlefield gave his bonds amounting to more than 40,000 dollars, for corrupting the Legislature; this note to "James Smith," was one of the bonds. Laflin was to have the benefit of it; he is said to have passed it to Deweese and Deweese to Shaffer.

Now there is talk of expelling Laflin from the House. A colored member was heard to say he would vote to do so. If any colored member will call on us, we can give him evidence, we think, sufficient to expel Laflin.

If the white "hands" are willing to sit with such members as Laflin, we hope the negroes are not. No member who has not received money from Littlefield, or notes payable to "James Smith," as Laflin is said to have done, should be willing for Laflin to remain a member of the Legislature of North Carolina.

GO IT BLIND.—The *Standard* says, "The Republican party has no use for men who do not dare to stand up for their party under any and all circumstances." That means, if it mean anything, that, should the treasurer prove a defaulter, Pilgrim Ashley procure the interpolation of a school law, or any other officer should do any other rascally act, (which, of course, every body knows there is no probability of any of them doing,) yet, if they *should* happen to such an accident, the *Standard* has no use for any man that would not stand up to them. That is just the construction the language of the *Standard* bears, and there isn't a word in the context to change or modify it.

TELEGRAPHIC.

Thursday, Night Dispatches.

WASHINGTON.

WASHINGTON, Jan. 28.—HOUSE.—A bill establishing certain Steamship lines was introduced. The Secretary of the Treasury was asked why he allowed collection of certain harbor fees in New York, after the supreme Court declares them illegal.

The bill allowing Virginians who have conscientious scruples to affirm, passed. Porter, after a long debate, was seated. The Speaker announced the special Committee on Postal Telegraph, as follows: Washburn, of Wis., Lawrence, Dawes, Davis, Palmer, Woodward and Beck. The bill abolishing the franking privilege passed by 114 to 14. The bill repeals all laws and parts of laws giving to any officer or Department of the government, or other person, the right either to send or re ceive, through the mails free of postage, any letter, document or other mailable matter. Dawes made a successful defense against Butler's attack on him regarding extravagance. Among other statements, Dawes said, after visiting departments and remonstrating against the expenses, he visited the President, who said he knew little of any other than estimates of the War Department, which he (the President) was satisfied could not be cut down.

Gen. Terry officially communicates to the War Department the organization of the Georgia House of Representatives. After a careful examination of the law, Terry says he is convinced that no authority exists for giving the seats of ineligible members to those receiving the next highest vote.

Members from newly restored States get no back documents, th y having heretofore been distributed.

SENATE.—A joint resolution forbidding assessments upon subordinates for presents to superior officials, passed and goes to the President. A motion to call up the bill creating Omaha a port of entry, brought forth expressions in favor of the abolition of many unimportant ports of entry now in existence.

The bill making Omaha a port of entry finally passed.

The currency bill was discussed up to adjournment.

Corbin, the President's brother-in-law, was before the Gold Panic Committee to-day.

Lewis, Senator from Virginia, has been seated. Porter, after a struggle was seated.

The President replying to Mayor Bowen and others regarding Washington, denied any intention of recommending appropriations for the improvement of Washington now; such recommendation would be disregarded. Western members were especially tenacious on this subject, but the year closing March 3rd would show a great reduction of public debt and less expense, and Congress by that time might see the necessity of improving the Capitol. He had no doubt the time would come, when cabinet ministers would be furnished with hou es free of rent by the government. To suppose that men representing the nation, could on the pittance of $8,000 per year, give grand dinners and receptions was simply ridiculous.

There is no probability of the Senate passing the bill abolishing the franking privilege.

VIRGINIA.

RICHMOND, Jan. 27.—Gen Canby to-day issued an order that all Military Commissions, acting under the reconstruction laws cease, and all citizen prison rs to be turned over to the State Courts, and that all citizens undergoing sentence of Military Commission, serve out such sentence, unless released by the U. S. Court; and that all civil officers, appointed under the Provisional Government, shall vacate when successors are elected or appointed under the new Constitution.

Gov. Walker issued a Proclamation convening the Legislature Tuesday Feb. 8th.

John S. Marye of Fredericksburg, was to-day appointed Lt. Gov rnor, by Gov. Walker, to fill the vacancy occasioned by the el ction of Lewis to the U. S Senate.

FOREIGN.

LONDON, Jan. 27.—An agent will leave soon for New York to protect foreign stockho ders in the Erie R R.; by voting stock held abroad.

MADRID, Jan. 27.—The authorities classify deputies elected to fill vacancies as follows, Progressionists 18, Republicans 4, Unionists 3, Abolitionists 1.

MARKETS.

WILMINGTON, Jan. 27.—Spirits Turpentine firm at 42½; rosins steady firm 1,50; Crude Turpentine steady 1,65 to 2,80; Tar active 2,50; Cotton firm at 23 to 24.

Friday Evening Dispatches.

WASHINGTON.

WASHINGTON, Jan. 28.—A somewhat sensational Washington correspondent says regarding Corbin's evidence before the Gold horror Committee, that Corbin admitted that he was engaged in speculations with Jay Gould, and the impression produced on some of the members of the Committee, was that he led Gould to believe that he (Corbin) had influence with the President through Mrs. Corbin, the Presidents sister and thus got Gould embarked in the speculation.

In the Senate, Johnston, the Virginia Senator was seated.

The House passed a resolution making the Public Printer elective in joint session. Gibson of Virginia was sworn in and seated.

MARKETS.

NEW YORK, Jan. 28.—Stocks unsettled and dull; Money easy 6 to 7, exchange, long 9, short 9½; Gold 11[illegible] coupon 15s; Tens. ex coupon 54, new 45½, Va. ex-coupon 57, new 62½; La. old 70; Levee 6s 65; 8s 77; Ala. 8s 93,5s 78; Ga. 6s 80; 7s 91; N. Ca old 41½, new 24; S. Ca old 81½, new 78½.

HENRY'S CARBOLIC CONSTITUTION RENOVATOR, OR BLOOD CLEANSER.

This medicine is known to the faculty as being the concentrated fluid ex ract of Sarsaparilla united with other valuable medicinal herbs, and is guaranteed as chemically pure,

FOR THE CURE OF

SCROFULA AND CONSUMPTION.

This remedy is compounded expressly for purifying and cleansing the blood of all infirmities, going at once to the fountain-head of disease. It extinguishes

Tumors, Consumption, Syphilis, Skin Eruptions, Salt Rheum, Boils, Rheumatism, Waste of Vitality, Scrofula.

We all know that the promiscuous vaccination indulged in during the late war bred the most virulent diseases. Vaccination pus was taken from the arms of many persons full of scrofulous sores.

Then of course the impurities of the scrofulous patient were absorbed in the blood of men otherwise without diseases, and both be came infected alike. Men, women and children throughout all the West are most woefully diseased from this cause, and knew not, until a few months ago, the origin of it

Henry's Constitution Renovator

Relieves the Entire System of Pain and aches, enlivens the spirits, and sends new blood

BOUNDING THROUGH EVERY VEIN.

It imparties a

Sparkling Brightness to the Eye, A Rosy Glow to the Cheek, A Ruby Tinge to the Lips, A Clearness to the Head, Brightness to the Complexion, Buoyancy to the Spirits, And Happiness on all Sides.

For all affections of the kindneys it is unsurpassed.

People have been rescued, as it were, from the very jaws of death, by a timely use of this great remedy.

EXTRACTS FROM VARIOUS LETTERS.

"Doctor, I was vaccinated in the hospital.—Before that I had no skin disease. Until I had a bottle of your "Constitution Renovator" sent me by Mr. Roper, of Columbia, Mo., I suffered tortures with running sores. Since I used two bottles I am all well except a small sore on the calf of my left leg, and that is getting well fast."

"This from a lady.—"And now my skin is as clear and fair as a Babe's. My complexion, thanks to your "Renovator," is beautiful.

"Yes yes, I may well say such relief was unknown to me before. Enclosed find five dollars for six bottles; two families here want to try your Constitution Renovator."

"No more rheumatism. Three bottles of Constitution Renovator have made me a new man."

"Doctor, enclosed find $5. Please send me a supply. Two families here want to try your Constitution Renovator."

We have not space for more of the above extracts, but you can ask your neighbor about the remedy. Every one has something good to say, as it cures every time.

FOR ALL DISEASES OF THE KIDNEYS, RETENTION OF THE URINE, &c. *And for Female Diseases,* Nervous Prostration, Weakness, General Lassitude, and Want of Appetite, it is unsurpassed.

CAUTION.—In ordering our remedy always place the number of our Post-Office Box on your letters. The new law in our New York Post-Office compels this.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜ is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

$100,000 DEPOSITED WITH THE INSURANCE DEPARTMENT OF MISSOURI.

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Conclusion of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit.

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES H. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience; men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coast wise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

And $5,000 ready to pay a loss of No. 34,161, so soon as the party authorized to receive the money appears.

The Company has been well tested throughout the State, as to its promptness in paying her losses, reliability, &c.

DIVIDENDS PAID AT THE END OF THE FIRST YEAR, AND ANNUALLY THEREAFTER.

Its ratio of expense to income is extremely low. This may be seen by reference to the Official Reports for 1868. For example:

EXPENSE ON THE $100 RECEIVED.

KNICKERBOCKER,	$16,54
EQUITABLE,	17,44
NORTH AMERICA,	21,15
BROOKLYN,	21,09
UNIVERSAL,	27,34
JOHN HANCOCK,	18,27
THE NATIONAL,	63,48
THE ÆTNA,	13,41

It has an IMPORTANT NEW FEATURE that has been copy-righted. According to this plan the rates are MUCH LOWER than in any other Company in the world.

The ratio of Mortality is low. Its rates are very low. Its expenses are very low. Its dividends are large.

It insured more lives in the City of New York in 1868, than any other Company, except one. It issued more Policies in the United States than any other save one. It insured more lives in Canada than any other Company, British or American.

See what the HIGHEST INSURANCE AUTHORITY in this country says. In the June number of the Insurance Times, of New York, the following opinion was expressed:

"If there is any great benefit in mutual association, any great advantage to be derived from scientific organization and a chartered source, tending to mitigate the sufferings, lessen the privations, and add to the peace, security, and happiness of humanity, we are prepared to show that these blessings flow, in all their fullness and purity, from this excellent, powerful, and flourishing Company, the ÆTNA LIFE, of Hartford."

"No institution has brought more prompt, full, and grateful relief to the hearths of the bereaved and desolate, and none has been more uniformly distinguished for the enterprise, wisdom, and equitable liberality with which it has fulfilled the purposes of its formation."

"Its success has been almost unbounded and beyond all precedent. Eight years ago, in 1861, it issued only 569 policies, received an income of seventy-eight thousand dollars, and possessed net assets amounting up to something over two hundred and eighty-one thousand dollars; but last year, 1868, it granted 13,327 new policies, more than any other Company, except the Mutual Life; received an income exceeding six million dollars, and had amassed solid, securely and profitably invested net assets amounting to over Ten Million Three Hundred and Fifty Thousand Dollars. And this wonderful ratio of growth has been sustained in 1869."
